DG ILO commends tripartism in Pakistan

SINGAPORE: Director General International Labor Organization (ILO), A Gilbert F. Houngbo, stated that he was pleased to learn that the three ILO constituents, Government, Workers, and Employers are united in ensuring compliance of International Labor and Environmental Standards in Pakistan, says a message received in Karachi, Wednesday, says a Press release.

Speaking with the Pakistani delegation on side-lines of the Asia Pacific Regional Meeting

in Singapore, Houngbo said that compliance would enable Pakistan to attain the SDG Goals and would also support Pakistan's case for continuation of the EU GSP Plus status from 2024.

"All three constituents must ensure that there is no Child Labor, Bonded Labor or Forced Labor. Moreover, he emphasized on the importance of social dialogue and appreciated the EFP's initiative of promoting bipartisan and social dialogue through WEBCOP", he added.
