EOABI's Demand of Contribution on the basis of a minimum wage of Rs. 25,000/-

Members are informed that the demand of contribution by EOABI on the basis of Rs. 25,000/- through their portal has been challenged by many companies in the Honorable High Court of Sindh at Karachi. The matters were fixed today when after a lengthy hearing Honorable Court has restrained EOABI from taking any coercive measures against the petitioner companies till 25-1-23.

The companies have however been directed to deposit contributions on the basis of Rs. 25,000/- with Nazir of Honorable High Court through pay orders. By virtue of this order, the EOABI is restrained from demanding contributions on the basis of a minimum wage of Rs. 25,000/- which amount has been blocked in the portal for demanding contributions. The order will, however, be applicable only to companies which are party to the application.

The companies which have joined the petitions in the High Court of Sindh are advised to prepare their monthly contributions on the basis of a monthly wage of Rs. 25,000/- and deposit the same with Nazir of Honorable Sindh High Court through pay orders. If the Honorable High Court finally decides the case in favor of the petitioners, the amount will be refunded to the petitioners.

The companies which have not so far joined the petition are requested to approach EFP for joining the petition so that they can benefit from the court's order.
