Notification# 06

## **Amendment of EOBI e-Portal for Payment of Contributions Based on Actual Working Days**

Dear EFP's Members,

As the member companies are aware the EOBI has made sudden changes in its e-portal regarding the payment of contributions on a fixed 31-day basis instead of actual working days.

Following a thorough discussion, it was unanimously decided in the meeting of the EFP Sub Committee on legal and IR affairs to first take up the issue with the concerned officers of the EOBI and in case of no positive response, a letter should be sent to the Chairman EOBI expressing the concerns employers over the unilateral decision of EOBI regarding payment of contribution on fixed days basis and requesting him to reverse the e portal to accept payments on actual working days basis.

Accordingly, the Secretariate has made a presentation vide its letter dated 10th May 2024 addressed to the chairman of EOBI, the Letter can be found below.

Since we have also requested the chairman for an in-person meeting to explain our concerns and legal position in this regard therefore as soon as the meeting is held, we will apprise our worthy members of the outcome of the meeting.

[Letter addressed to Chairman - EOBI](#)

With warm regards,

**Syed Nazar Ali**  
**Secretary-General**
